SARAH NETBURN, United States Magistrate Judge:

In light of the Court's recommendation to Judge Caproni on the parties' motion for summary judgment, the parties are ORDERED to meet and confer as to whether they would like to STAY the objection period to facilitate settlement. Any such application for a stay should be filed within 14 days. The parties should contact Courtroom Deputy Rachel Slusher by email at Rachel_Slusher@nysd.uscourts.gov if they wish to schedule a settlement conference. Due to the Court's busy calendar, settlement conferences must generally be scheduled at least four to six weeks in advance, and the Court will likely be unable to accommodate last-minute requests.

SO ORDERED.
